**ORDER**

**Issued: October 1, 2014**

**Released: October 1, 2014**

On Wednesday, October 1, 2014, the Presiding Judge held a prehearing conference at Commission Headquarters in Washington, DC. As a result of that conference, the Presiding Judge makes the following rulings.

In accordance with the Commission's recently released *Memorandum Opinion and Order* ("MO&O"),<sup>1</sup> unless stayed, the Southern California Regional Rail Authority **MAY BE EXCUSED** from this proceeding.

Per the MO&O,<sup>2</sup> the stay of the issues in this proceeding, with the exception of Issue G, put into effect by the Presiding Judge's *Order*, **IS RESCINDED**,<sup>3</sup> and the case will proceed with discovery of issues pertaining to Maritime's basic qualifications.

On or before **12 noon EDT on October 9, 2014**, the parties that intend to litigate the issues pertaining to Maritime's basic qualifications shall file and serve, jointly if possible, a Proposed Discovery Schedule.<sup>4</sup>

On or before **12 noon EDT on October 9, 2014**, all parties participating in the litigation of Issue G shall file and serve a Description of Documentary Evidence that identifies each document intended to be offered in evidence, including its date, its source, its preparer or author, a subject matter description, a specification of whether it was prepared in the course of business or for litigation, and the identification of the issue(s) to which it is relevant. Such clarification is necessary to ensure that upcoming objections are raised and resolved efficiently.

On or before **12 noon EDT on October 9, 2014**, all parties participating in the litigation of Issue G shall file and serve a List of Witnesses in which each party's expected witnesses shall be identified by complete name, business or profession, place of employment and employer, relation to Maritime, relation to any principle of Maritime, purpose for testimony, reasons for witness's reliability, and relevance of testimony of each witness.

The Objections to Witnesses for Cross Examination, originally due to be submitted on October 14, 2014, shall instead be submitted **on October 28, 2014**.

**SO ORDERED.**
